"Bald Eagle"

by Dan Rose

Dan Rose, full time glass artist and designer from Tacoma, WA., designed and contributed this beauty. The finished piece is pretty heavy so, if you add wire rings for hanging, reinforce them well by extending long wire ends down into the body of the piece, buried in existing solder lines. Or mount the Eagle in a wooden base. A gold blob works well for the eye, with black eyeball painted onto the back side.

Spectrum Glass Color Suggestions

- A. 307s "Feather White"
- B. 385-2s White & Gray
- C. 411-15s Brown on Gold
- D. 315-2s Med. Amber & White
