

# Artique®

Artique® is a re-creation of the spirit and character of mouthblown antique glass. The texture is scribed into the glass surface while the sheet is still extremely hot and pliable. The characteristic striations are active from every perspective, evident and unmistakable, even in small cut pieces.

*We've taken great care to present our glass as true-to-life as possible. Since computer monitors and printers vary widely, and may not reliably portray the glass or its color, please use this sheet as a reference tool only. You may want to consider purchasing a glass Sample Set for selecting just the right glass for your projects.*
