

Pearl Opal

The striking, multi-color blends in our Pearl Opal family promise a unique combination of rich luminescence and perfect light transmission. The unmistakable Pearl glow dances beautifully in concert with subtle Corsica texturing.

We've taken great care to present our glass as true-to-life as possible. Since computer monitors and printers vary widely, and may not reliably portray the glass or its color, please use this sheet as a reference tool only. You may want to consider purchasing a glass Sample Set for selecting just the right glass for your projects.
