Nothing else approaches the celebratory excitement of this breathtaking art glass. Like the aftermath of a celestial explosion, sweeping comets of color convey motion, energy and Spirit.

Aventurine

Firing this magical glass releases a galaxy of metallic flakes that are riveting... intense... elegant.

We've taken great care to present our glass as true-to-life as possible. Since computer monitors and printers vary widely, and may not reliably portray the glass or its color, please use this sheet as a reference tool only. You may want to consider purchasing a glass Sample Set for selecting just the right glass for your projects.
