We've taken great care to present our glass as true-to-life as possible. Since computer monitors and printers vary widely, and may not reliably portray the glass or its color, please use this sheet as a reference tool only. You may want to consider purchasing a glass Sample Set for selecting just the right glass for your projects.
Transparent glasses boast their color in all manner of transmitted light. These simple glasses are the foundation of traditional glasswork, and are available in a selection of color and texture that is unmatched, anywhere.

Spectrum “Rough Rolled” (RR) Transparents, featured prominently in this category, have a subtle, delicate texturing that gently mutes transmitted light and images. It’s the look of a naturally “chilled” glass surface, like table-rolled glasses of years gone by.
