

The Spectrum Factory Tour

Who? Everyone enjoys the Spectrum tour. Glass making is a fascinating process — and you don't necessarily have to be a glass enthusiasts to appreciate it. The tour is not recommended for the very young; we are unable to accommodate children under 10 years old.

What? (What to wear.) Please, no open-toed shoes or sandals; long pants and hard-soled shoes are recommended. We will provide protective eye-wear for your safety.

When? Tours can be arranged Monday thru Friday, from 10AM-1PM. To insure staff is available to guide your tour, please call in advance to schedule (425-483-6699).

Where? We are about 20 miles NE of Seattle in Woodinville:
24105 Snohomish-Woodinville Hwy
Woodinville, WA 98072

How? From I-405, take highway 522 East (exit 23). Take the third exit, marked Snohomish-Arlington. Turn right at top of ramp. Spectrum is on the left side less than 1/4 mile from there — across from the Woodinville Costco. (See simplified map below or [CLICK HERE](#) for Google map.)
